Dear Friend:

August 24, 2020

It is time for the **4th annual *Sporting Clays for Shelter Strays*** fundraiser benefitting the Humane Society of Harris County. This will take place Sunday, October 11th at Big Red Oak Plantation in Gay, GA at 2:00 PM. Shooting will not start until 2:00 to give churches around town time to finish up their services.

During these uncertain times, we will follow any procedural measures necessary to keep folks safe. We hope you will enjoy this outdoor event. We have all skill levels participating. Please join us!

The Humane Society of Harris County has been saving animals for almost 30 years, celebrating our 30<sup>th</sup> anniversary in 2021. We partner with shelters and rescue organizations throughout our community and the southeast to provide homeless animals a chance at a life they deserve.

Every animal who comes to the HSHC adoption center is fixed, fully vetted, and given all age-appropriate vaccines to get ready for adoption. We operate with an extremely small staff and rely heavily on volunteers. **Our shelter is funded completely by donations from the community.**

We are pleading for your help to continue our life-saving efforts. Enclosed you will find a response form with a list of sponsorship opportunities. We appreciate your consideration and look forward to hearing from you as soon as possible so you may benefit from these opportunities.

Respectfully,

Jennifer Daniel  
Event Chairman
